FROM THE BRIDGE

CHUCK BUSCH, COMMODORE

This article is planned to address subjects that are occurring in June and July. The most important item for the wellness of our club occurs each year in these months as we begin the selection of our leaders for the next year. It has been increasingly difficult over the past three years that I have been on the Bridge to find volunteers willing to raise their hands to fill open positions on the Board of Directors and to begin the four-year progression on the Bridge to Commodore. We have a membership that is filled with extremely accomplished people that have been very successful in their professional lives prior to joining IYC. There may be many reasons why volunteering to help lead our Club might not be appropriate for many of these, but with a pool of 900 people, we should be able to fill four-five open slots each year. The most stated reluctance seems to be the time commitment at this point in life when we are in, or moving into, retirement. I think this is a reasonable consideration. To help overcome this concern and to relieve the time commitment for both Directors and Bridge Officers, our Board is reviewing the number of committees currently in place, the need to have monthly meetings in certain committees, and ways to lessen the load on Directors and Bridge members by finding alternate committee chairs when possible.

With that said, we are currently forming the yearly Nominating Committee to generate a slate of Officers and Directors for next year's leadership positions. The Nominating Committee will be formed within the next month from those who have submitted their names for this important function. The Nominating Committee will begin vetting applicants for the various open slots in the Officer and Director positions shortly after it is formed by the Board of Directors. You can review the duties of these positions in the IYC Bylaws contained in your Club Yearbook, read the Leadership Development overview on-line at the IYC Member Central/Clubs and Committees webpage, or contact any Officer of IYC.

In addition to the usual open positions of three Directors, Vice Commodore, Rear Commodore, Fleet Captain, Finance Officer, and a Board Secretary, we will also need to nominate a Commodore to serve for the next Watch. Normally, the Commodore position is filled by an automatic ascension from Vice Commodore following a three-year progression from Fleet Captain. This year we have extraordinary circumstances that require a selection by the Nominating Committee, followed by member confirmation, to fill the incoming Commodore position. Further communications will be forthcoming detailing the positions that the nominating committee will need to populate.

GENERAL MANAGER'S CORNER

JERRY LARACUENTE

What an exciting first full month under my belt. It has been a very warm welcome by our members, employees and vendors - all who play a very important role in accomplishing my mission to be the friendliest and most hospitable Yacht Club! Thank you all very much.

I want to take this opportunity to give a warm welcome to all of our new members that joined us in the past few months. I am looking forward to meeting you and invite you to come join us for lunch, dinner or sign up to attend one of our many exciting Club functions that we are hosting this summer, as they are the perfect way to network and get to know other members in our Isles Yacht Club community.

As we leave spring behind us, I want to remind you that the Clubhouse will not offer Food & Beverage services on Mondays and Tuesdays during the summer months. The Office and Clubhouse are still open on these days, for other non-restaurant related meetings from 9:00 a.m. to 4:00 p.m. In addition, the Marina, fitness center, tennis, the Bridge building and other activities are not affected by these changes of hours.

I want to share with you an update on our pedestal replacement project on the docks. We will be replacing all perimeter pedestals with new ones that will match the ones on the main dock. Not only will the new pedestals be an upgrade aesthetically, they will GFCI protected to provide a safer boating experience on our dock. We hope to have this project completed in late June or early July. As the project gets started, our Dockmaster, Jim Merritt, will keep us posted on the progress of the project.

In celebration of Father's Day, please join us on Sunday, June 16 for a special Sunday Breakfast to honor Dads. In addition to our regular buffet, Chef Chris and his culinary team have created a great menu that includes a carving station, salad bar, and peel and eat shrimp bar, plus a complimentary Bloody Mary for the fathers.

Finally, out of consideration to your fellow members and the staff, please take the time to make reservations and honor the time whenever possible. We do spread out reservations to help with the timeliness of service.

Again, thank you for the amazing and warm reception. Wishing you all a great start to your summer. Please do not hesitate to reach out to me if I may be of service to you, or just pop in to say hello if you visit us for lunch, dinner or a refreshing summer beverage at the bar.

Warm regards,

Jerry Laracuent, General Manager
gm@islesyc.com

INSIDE THE HOUSE

BRIAN BARCIC, VICE COMMODORE

Our new General Manager, Jerry Laracuent, has taken the reins of the Club from our long-time GM and has hit the ground running. One last thank you to Jake Williams as he continued his dedication to the Club up to the very end and worked with Jerry during the transition period. I'm sure Jerry appreciates Jake filling him in on all the functions and idiosyncrasies of the Club.

Although many of our members are starting to leave Florida for their summer homes and the Club will start to get less crowded, it is still important to make reservations when coming to the Club for lunch or dinner. Reservations allow the management team to have the proper staff available to give our members the quality experience that we've become accustomed to.

Members are encouraged to fill out comment cards. The comment cards serve an important role in helping the staff know what you think of the service and food. I assure you that our management and staff take your comments seriously. In fact, Chef Chris posts the comments in his kitchen for his staff to see so they know what they're doing well and where they can make improvements.

The next Wine & Dine will be on June 12 with the theme "North of the Border". In July, the theme will be "An Evening in Old Havana" and will take place on July 10. As usual, Chef Chris is expected to do an excellent job of making these Wine and Dine events enjoyable and unique. Also, always put your name on the waitlist if you don't initially get in as situations change and people cancel.

The Charity Cup Committee is in the process of finalizing the three organizations that will be recipients of this year's effort. I, as Vice-Commodore, have chosen the Fred Lang Foundation concentrating on youth initiatives and the committee Chair, Shawn Gilstad, has chosen the Gilstad Literacy Foundation for Charlotte County Imagination Library. Shortly, the Committee will be sending out an email ballot to choose from three charities for the "members choice". We ask that careful consideration is given and that you respond to the ballot as soon as possible.

There is still time for members interested in serving on the Nominating Committee. The Committee will put forth a slate of candidates for Board and Bridge positions for the 2025-2026 Watch. If you would like to be considered for the Committee, you can self-nominate by notifying our Secretary, Vicki Riggs at vhriggs@bellsouth.net.

On a personal note, Paula and I just got back from a trip north, where we were able to surprise our five-year-old granddaughter, Remi, as she got off her school bus. Later, we surprised our three-year-old grandson, Ty, when we picked him up from pre-school. Life doesn't get much better than that!

FROM THE REAR COMMODORE

FRANK LEYSHON, REAR COMMODORE

The Memorial Day Weekend Celebration 2024 is in the books. I want to thank Doug Scheid for doing a superb job planning the weekend's events. He had short notice as the newly installed Fleet Captain and was able to pull things together and take over the planning. I look forward to working with Doug during the next three watches.

I am writing this article while at Marathon Yacht Club. The FCYC meeting, which is held every other month, went well. Julie and I went to Marathon Yacht Club by boat with one stop over. Pelican Isles was a great stop after seeing three-foot seas with thunderstorms off Fort Myers Beach. IYC Members with boats

under 3-3.5 ft draft should consider visiting this wonderful facility. Make sure you ask about dinner service when visiting. They have more lunch accommodations than dinner accommodations. The next day we made the journey from upper Naples to Marathon.

It was still very choppy with winds out of the Southwest. The last two hours through Florida Bay was smooth cruising, just perfect. Friday evening at Marathon Yacht Club we enjoyed drinks, a buffet, and a beautiful sunset with Johny Swanson, Patty Thompson, Terry Cannon and Terry Asher-Cannon who joined in via the auto route.

The meeting on Saturday talked about the newly installed FCYC Commodore's goals for the year featuring communication. There is a new FCYC newsletter that I hope to forward to everyone after it is published every two months. I always find discussions on Government affairs interesting. The St. Andrew's Bay Yacht Club, that burnt down after a previous FCYC meeting, has settled with their insurance adjuster and is hoping to be rebuilt in two years. The Isles Yacht Club usually collects awards at FCYC events, but we have competition now. The Florida Yacht Club showed up with five boats. IYC would have needed four more member boats to receive boating awards on Saturday evening.

The Building and Grounds committee met this month. Jerry informed us of the movement of Jeff into a Maintenance Supervisor role. Jeff will continue to fill in as a Dockhand, but his duties are to provide the needed maintenance of the facility. Discussion of the seasonal Emergency Response Team (Hurricane Preparation and Recovery) was reviewed. This is always a reminder to me to make sure that I bring my personnel plan up to date. I encourage everyone to put together a Hurricane Preparation Plan.

FLEET CAPTAIN REPORT

DOUG SCHEID, FLEET CAPTAIN

I'd like to take this opportunity to thank the Board of Directors for their confidence in my ability to serve the Isles Yacht Club as your Fleet Captain for the 2024 Watch. I am working to get up to speed with all that is expected of the position, and appreciate the assistance that so many members have provided.

Like many of you, Patti and I moved down to Punta Gorda from the Northern Tundra in 2017. We have been boating together since 1996 when we bought our first boat, a 23' IMP Sport Cuddy. We spent twenty years boating the eastern Great Lakes and living on the Niagara River just upstream of Niagara Falls. We've had many vessels since that starter boat, all with lots of great memories, and many friends!

Whether you are a sailing enthusiast, angler, paddler, or a power boat cruiser there are certainly many opportunities here at the Isles Yacht Club to explore and expand your passion. I invite anyone who has an interest to get involved with at least one of our groups.

Jim Merritt and his team continue to keep our Marina in top condition by tirelessly cleaning, repairing, and replacing the many elements that constitute our Marine facilities. They are working with the Marine Committee to replace the south dock utilities over the next year or so. The Planning Committee is also working with the Marine Committee to install a hoist in the south corner of the Basin to be able to launch sailboats up to the Harbor 20 size. This project will greatly improve our Club's ability to maintain and expand sailing opportunities.

As you read this the Memorial Day Weekend will be in full swing, or have just past. This is an important opportunity to remember and reflect on all of our country's fallen heroes who gave the ultimate sacrifice in the unending battle to secure and maintain the freedoms and liberty's we all enjoy as Americans. Please remember them and their families in your thought's prayers.

If you couldn't attend the holiday weekend festivities, I invite you put it on your calendar for next year. Come by boat and spend the weekend at the Club, or just stop by to have a drink and a conversation.

John and Becky Todd led a Tag-Along cruise to St. Charles Yacht Club and Pink Shell Marine in May. In all, seven sail and power boats attended. As always, a good time was had by all. Greg and Jennifer Hurst are leading a cruise to Venice Yacht Club in June with thirteen vessels and a waiting list. If you have any interest in hosting or co-hosting a cruise, please reach out to Jeff Ziemer, John Todd, or myself, we would be happy to help you, it's fun and you're first on the sign-up list!

MEMBERSHIP COMMITTEE

PAUL BENSON

Although many of our members will be trying to escape the heat this summer by heading north, our Club will continue to offer many activities and events that we hope everyone will take advantage of. One great way to promote IYC is to share photos of some of those events on social media to illustrate how much fun we have at our Club! We have added twenty-seven new members in the first 2 months of this watch so be sure and introduce yourself and make our Red Dots feel welcome.

The Membership Committee and Board of Directors will host another Red Dot/Waitlist Social Wednesday, June 19, so watch for further announcements, and we hope to see you there.

IYC SAILING CLUB

CHRISTI VAN HECK

The 2023-2024 sailing season has come to an end and it was a terrific sailing season with great boat participation including our Club boats on Wednesday afternoons. The Race Committee led by PRO Rick Schultz did an exemplary job at setting up competitive, fun courses with the help of twenty-eight volunteers. No small feat!

Below is a poem culminating this season written by our Past Commodore, Jim Nuzzo.

ODE TO THE 23-24 HARBOR 20 RACING SEASON

Let's herald a season that's come to a close
 Avast - watching the compass rose
 A quick look astern tells more than tales
 Endless trimming and shaping sails
 Thru tacks and gybes we saw one another
 Some sterns more familiar than bows of others
 And after many a start there is one thing I know
 This Fleet has been graced with a great PRO
 Courses square to the wind consistently found
 Guaranteed ... Twice Around
 Wind shifts common and seemingly par
 Our Race Committee is a shining star
 Catfish came ready for every race
 Jake the Captain an absolute Ace
 A signal boat no better can be found
 The Mixson's deserve thank you from all us around
 Yet boats we sail break while we play
 Thank God for the number 1-800- RJ
 And far on the horizon but close to our shores
 Moor many a boat at their owners' doors
 So many races this season it's hard to remember
 Enjoy the Summer - see you in November
 This season we watched a boat seldom falter
 Wonderfully sailed by Skipper Walter
 With scoring done and racing no more
 Time to say goodbye to a champion... Number 444

Any of you grandparents looking for ways to entertain your grandchildren this summer? How about a week or more of sailing camp? Charlotte Harbor Youth Sailing, a 501(c)(3) youth sailing school, offers week long full day Summer Sailing Camps for kids eight to seventeen years old. The Camps start at 8:30 a.m. and end at 3:30 p.m.

For more information: <https://www.chysailing.org/>.

To register: <https://www.activekids.com/port-charlotte-fl/science/camp/camp-1-beginner-2024>.

The Isles Sailing Club has adjourned for the summer. The next meeting will be held November 6 at 9:00 a.m. If you have any interest in sailing, please come join us!

CRUISING COMMITTEE

JEFF ZIEMER & JOHN TODD

As mentioned in the May Article, Duane & Diane Ising hosted a raft-up in Pelican Bay April 12-14. Just one other boat attended; however, there was a large gathering of ultra-fast boats from the Ft. Myers Offshore Club at the sand spit on Saturday bringing the total number of boats to about one-hundred! Duane said it was a perfect people-watching day!

John and Becky Todd hosted a Tag Along cruise May 14-19. The first three nights will be at St. Charles YC with a total of seven boats signed up. SCYC is always a great stop. Their members are very friendly, their food is good, and the pool inviting. May 17, the group cruise over to the ever-popular Pink Shell Resort and Marina. Most amenities at the Resort have reopened, sans the Aquagene Spa, and resort restaurants as well.

Greg Hurst is hosting a cruise to Venice YC June 20-22. VYC is another favorite among cruisers. It offers a great tiki bar and pool and it's convenient to downtown and the many restaurants, shops, and bars Venice has to offer.

Frank Leyshon reported that the Nautical Poker Run held March 20 was a great success! About fifty-four 'hands were dealt' and it raised a whopping \$1700. The prize money was donated back to the Charity Cup.

Duane & Diane Ising will be hosting a cruise to Palm Harbour Marina in Placida July 17-19. A fun gathering place for cruisers, Palm Harbour offers a covered picnic area complete with some kitchen amenities, a grill, a pool & spa, and a bum boat to Palm Island for 'beaching' or eating at the Rum Bay restaurant.

Look for the write-ups of these upcoming cruises in the next LOG Cruisers column.

The IYC Cruisers Forum will be up and running by the time this article comes out. Email invitations will go out to Cruisers on our current Cruisers List. This new Forum will improve the day-to-day communication and replace the existing NextDoor forum. Thank you to Frank Leyshon for his commitment to bringing this to fruition. If you'd like to join this forum, contact the front office.

Since our April meeting, we've sent out welcome letters to two more new IYC members who have expressed an interest in cruising.

Spread the word... our committee meets in the Club on the third Tuesday of each month at 9:30 a.m. in the Compass Room. Meetings last about an hour. We encourage participation and welcome new ideas. Hope to see you there.

ENTERTAINMENT COMMITTEE

JOEL RIZOR

No doubt you're already aware of the great things coming up in June, and we have news about what's happening in July, but hold that thought for a minute because we need your help.

The rest of the entertainment year is shaping up nicely and almost every event is scheduled through February 2025. Now we're looking for creative Club members who can help organize and run some of these upcoming events. It's a lot of fun and the Entertainment Committee will help lead you through everything you need to do and know.

Open Events to Chair Include:

- Halloween Party on October 26.
- Jimmy Buffet Tribute on November 16. We've already lined up one of the best Jimmy Buffet Tribute bands in Florida for this Parrot Head Party.
- New Year's Eve on December 31.
- Art Meets Wine - where Club members, as well as local artists display their creations.

If you are interested in overseeing/helping with any of these events, please contact me at joelrizor@gmail.com.

Now back to June and July! Red, White, and Blues Brothers on June 8 is filling up quickly. Hopefully there is still some space left by the time you read this. June 13 is a very special evening of music, fine dining, cocktail specials and fun as pianist, singer, and Club member, Ginger Crumbaugh plays piano bar classics and takes your requests. On June 22, you won't want to miss the fun of competing with your friends at the exclusive one night only IYC Miniature Golf Club!!

Then, coming up on July 13 we'll have an authentic Low Country Boil and "Southern" drink specials, accompanied by the "Tropicool" music of John Patti & Sunny Jim. On July 27, get ready to eat, drink, laugh and be amazed at A Midsummer Night's Magic with magician Logan Light as he performs table-to-table followed by a lively stage show.

Please check the IYC calendar for all upcoming events and we'll see you there!

SPECIAL EVENT CANCELLATION POLICY

No-shows and reservations for special events not cancelled by 10:00 a.m., **the day before the event**, or by 10:00 a.m. **seven days before Cork & Forks and Wine & Dines**, will be charged to the member account.

BILLIARDS COMMITTEE
ROGER SPERRY

With the continued quiet time in the Billiards Room over the summer, there's plenty of opportunity to practice your skills or enjoy a session with a friend. We also now have a whole shelf of books on Billiards in the Bridge Building library, thanks to Bob Spencer. Help yourself. Good beach reading. If you haven't read it, also try the Color of Money, a story about collaboration between Fast Eddie Belsen and Minnesota Fats - great read, but you'll have to find it at your local library.

LLOYD THOMAS

Once per month a group of Club members travel to an excellent facility near Sarasota (sarasotatrapskeetdandclays.com) to shoot sporting clays. We meet at the IYC parking lot at 8:30 a.m. and travel together. As we don't keep score or gamble, everyone remains friends. New participants are welcome; principally for safety reasons, it is assumed any prospective participant is reasonably acquainted with the careful handling of firearms. BOOK CLUB
NANCY MEADOWS

The summer is upon us, time to get out that book you've been wanting to read, sip your lemonade and just relax and enjoy! May's Book Club discussion was very lively in the fact it was not one of our favorite books! That happens in Book Club and that's what makes Book Club so interesting!

We start up again September 12 at 4:00 p.m. in the Compass Room. Make your calendar to join us for cookies, beverages and an enthusiastic book discussion. Below is the list of books for the 2024-2025 Season. You can also find the list of books on the website, or by clicking [HERE](#).

September 12

Metropolis by BA Shapiro

October 10

The Splendid and the Vile by Erik Larson

November 14

The Kitchen House by Kathleen Grissom

December 12

The 7 Husbands of Evelyn Hugo by Taylor Jenkins Reid

January 9

The Big Finish by Brooke Fossey

February 13

Miss Benson's Beetle by Rachael Joyce

March 13

The Personal Librarian by Marie Benedict & Victoria Christopher Murray

April 10

Symphony of Secrets by Brendan Slocumb

May 8

Pineapple Street by Jenny Jackson

Have a great relaxing summer and enjoy that book you've been wanting to read!

Happy Reading

*Red Dot and
Waitlist Social*

Don't forget to save the date for our Red Dot & Waitlist Social on Wednesday, June 19 at 4:00 p.m. on the Patio!

We hope you can join us!

Member Boat Photos

If you would like your boat represented on the Fleet Gallery wall in the Bridge Building, please send a high-resolution photo of your boat to Lynne Armstrong at arasala.la@gmail.com. Please include the boat name and owner's last name.

The preferred photo is when your boat is in the water with an unobstructed water background as Jim and Claudia Morrow's boat, *Egret*, is displayed on the left. If you are out cruising with friends, it would be a great opportunity for them to take.

TENNIS PLAYERS

IYC is open to ALL tennis players. If you are interested in playing, whether you are a beginner or a returning player, feel free to join!

Contact Margaret Seter for more information.

ISLE-ETTES
MARY ANNE FAUST

I would like to personally thank everyone that attended our Chef Demo & Summer Mixology luncheon in May. Chef Chris and Valerie made it such a fun and interactive afternoon. Special thanks to Jerry also, for grabbing anything extra they needed! The drinks and food were delicious, and beautifully served.

We have planned some amazing events, outside the Club, for the summer months. It has been a pleasure working with my Board, coming up with creative and fun activities. I feel truly blessed to be working with these beautiful and insightful women.

Our June event, is a boat ride, in Charlotte Harbor, and lunch at Laishley's. July will be a private cooking class, in Fort Myers, at Kitchen Social. August is a private wine tasting, Happy Hour, at The Gilded Grape, in Port Charlotte. We are all excited to host these fun events and hope you will be able to join us.

I will be working on finalizing our Marketplace, being held, on October 19, over the summer. Anyone that would like to be of the committee, for this event, please reach out to me. I welcome any extra hands and ideas on how to make this event spectacular.

To all of our members, that are going elsewhere for the summer, I hope you enjoy your time away and travel safely. We look forward to seeing you in the fall!

PLANNING COMMITTEE
CAROL NUZZO

BRIDGE BUILDING REPLACEMENT

Each month I will update members on what steps the Planning Committee has taken and projects currently being discussed.

The recently established Building Committee has heard back from all six of the "site" engineering companies who received the Request for Proposal. Two companies are interested in the project. A proposal has been received from one company and, as of this writing, the other is meeting with members from the Building Committee to discuss the details. Once the proposals have been received the committee will make their decision and submit their selection to the BOD for their approval. The goal is to have a complete survey by November 1.

In anticipation of receiving the site survey the Planning Committee will continue to update the IYC website with current information and a means for members to ask questions and leave feedback. This is located under "Member Central", Strategic Plan, Vision, Mission and Goal.

As per the Bylaws the duties of the Planning Committee are: To create and consider a five-year plan which shall be in the best interest of the Club and recommend such a plan to the Board of Directors. Over the next couple of months, the Committee will focus on our Club's Capital Projects to ensure we achieve the goal of a quality facility.

COMPASS FUND

PC JIM NUZZO, COORDINATOR

Good news this last month on two active Compass Fund Projects. Engineering for the "Small Boat Hoist" project was contracted and terms were agreed upon for the construction of permanent shading for the fuel dock. Both projects will have engineering plans submitted to the City for approval. Based on the installer's quoted cost for the fuel dock shades, pending any City required changes, this project is funded. A similar path will be followed for engineering on the "Small Boat Hoist" project. At present the SBH project has \$100,550 committed. As previously mentioned, after the initial engineering and City response we will have an exact number and will be able to determine if this project is funded or needs more support. I certainly will keep membership updated in the August LOG.

Members with questions or in need of assistance are encouraged to contact me. The Compass Fund has a variety of established projects members can choose to support or discuss establishing a new idea or project. Please consider visiting the IYC website then proceeding to the Compass Fund page for additional information.
